

## Lamp Ø 210 with 80 Yellow LEDs • 4 batteries case REF : 14386

« The Ø 210 mm double flash lamp is mounted on a 4-battery box. The Ø 210 optic has 80 yellow LEDs of high light intensity.

The LEDs are protected by a polycarbonate lens with a magnifying effect, allowing amplification of the light source. The Power supply comes from the 4 battery box (batteries not included). A 3-position switch (on, off and on/off cell). The day/night cell allows permanent operation or automatic triggering at nightfall. »

- Night trigger / 24/24H / OFF.
- Easy battery replacement, without disassembly.
- Autonomy 2 months with 4 batteries 45 Ah.
